

California Environmental Protection Agency
AIR RESOURCES BOARD

N₂O Stakeholders Meeting

The staff of the California Air Resources Board invites you to participate in a meeting to discuss research activities being conducted to better understand greenhouse gas emissions from the application of nitrogen fertilizer and other sources in California.

The purpose of the meeting is to receive updates and discuss the research projects funded by ARB, CDFA, CEC, and CalRecycle. This is a continuing effort to coordinate research with state agencies, academia, and industry and receive input on proposed research for improving our understanding of N₂O emissions associated with fertilizer use and other applications in California.

The meeting will be held by phone conference at the date, time and number shown below.

For those attending in person, the meeting will be held at ARB headquarters, 1001 I Street, Sacramento, in Conference Room 720. Please arrive by 8:45 AM to allow time for check-in at the Visitor Center and escort to the meeting.

DATE: Monday, September 27, 2010
TIME: 9:00 AM to 10:30 AM
CALL IN: 888-730-9139
Pass Code: 66049#

An agenda is posted online at:
